Axway selected for the Gaïa Index 2017

Paris, October 17, 2017, Axway (Euronext: AXW.PA) is selected for the Gaïa ESG (Environment, Social and Governance) Index 2017. At the end of Gaïa's 2017 review of 230 listed and non-listed companies, Axway was ranked 12th out of 77 companies selected in the category of companies with revenue of €150 to €500 million.

The Gaïa Index, which assesses the commitment of French midcaps in terms of extra-financial criteria (Environment, Social and Governance), is an important element in Axway's relations with its investors and shareholders.

We are pleased and proud to note that the actions carried out by the Axway group in the Corporate Social Responsibility area have enabled us to integrate the Gaïa Index. We will continue our efforts to enrich our CSR programs.
